Defendants.)	
_____)	

This matter is before the court on Plaintiff's *pro se* complaint filed in this court pursuant to 42 U.S.C. § 1983.

In accordance with 28 U.S.C. § 636(b) and Local Civil Rule 73.02 (B)(2)(d), DSC, this matter was referred to United States Magistrate Judge Bruce Howe Hendricks for pre-trial proceedings and a Report and Recommendation. On August 30, 2007, the Magistrate Judge issued a Report recommending that Plaintiff's motions for "relief" (Dkt. #12, filed May 11, 2007) and for "special damages" (Dkt. #17, filed June 11, 2007) be denied. The Magistrate Judge advised Plaintiff of the procedures and requirements for filing objections to the Report and Recommendation and the serious consequences if he failed to do so. Plaintiff filed objections on September 13, 2007.

The Magistrate Judge makes only a recommendation to this court. The recommendation has no presumptive weight, and the responsibility to make a final determination remains with the court. *See Mathews v. Weber*, 423 U.S. 261 (1976). The court is charged with making a *de novo* determination of any portion of the Report and Recommendation of the Magistrate Judge to which a specific objection is made. The court may accept, reject, or modify, in whole or in part, the

recommendation made by the Magistrate Judge or recommit the matter to the Magistrate Judge with instructions. *See* 28 U.S.C. § 636(b).

After reviewing the record of this matter, the applicable law, the Report and Recommendation of the Magistrate Judge, and Plaintiff's objections, the court agrees with the conclusions of the Magistrate Judge. Accordingly, the court adopts and incorporates the Report and Recommendation by reference in this Order. Plaintiff's motions are **denied** and this matter is recommitted to the Magistrate Judge for further pretrial proceedings.

IT IS SO ORDERED.
